

# Vending Machine Permission Slip

As you may already know, we now have a Healthy Food Vending machine available in the front lobby.

It accepts cash and change can be made for \$1, \$5, and even \$10 dollar bills (change is returned in dollar coins).

It is also set up so that student lunch accounts may be used to make purchases. Pin numbers will be assigned to any student with parental permission. This is extremely useful when your child stays after school for extra curricular activities and no one is available in the kitchen for snacks.

Please fill out the following form indicating your permission to allow your child to access his/ her lunch account to purchase food items from this machine. Once we have this signed permission slip we will set up the account so that access will be available.
